UI/UX Design Competition

Welcome to our 20-day UI/UX design showdown! Designers of all levels, including newbies, are invited to flex their creative muscles and whip up a fully functional app or website inspired by your favorites—think Instagram, Spotify, and Amazon!

To help our rookie designers, we've broken things down into four tasks with deadlines that are as friendly as your favorite cat meme. Plus, mentors are here to guide you through the wild world of design.You can ask any question in our design community if you feel stuck .Here's the day-by-day scoop:

## Competition Schedule:

**Days 1-5**: Work on creating a high-fidelity wireframe for your chosen app or website and select a consistent theme to apply across all frames. At 5th day you have to Submit your wireframes and theme selection for review in Gform. Make sure to give view access to anyone with the link! . You have to work on the same figma file till the end. So task 1 summision must contain HIGH FEDILITY WIRE FRFAMES AND THEMES

**Days 6-10**: Enhance your wireframe by adding icons, images, and other visual elements to develop a comprehensive user interface. At day 10 Submit your complete UI design for review.

**Days 11-15**: Focus on the user experience by developing a complete prototype that illustrates user interactions and flows. At day 15 Submit your prototype for feedback.

**Days 16-20**: Add animations and transitions to your design and make final adjustments. At day 20 , Ensure your app or website is fully functional and submit your completed project.

**Competition Rules**

1. **Eligibility:** Open to all designers. Register before the fun begins!
